Caring...is our passion
www.insync-pharmacy.co.uk

With our free repeat prescription service we take the hassle out of ordering your prescriptions by helping take care of things for you.

Once you've signed up there's lots of easy and convenient ways to let us know when you need more medicines. We then do everything else for you and can even deliver them to your home for free too.

To sign-up all you need to do is *fill in the form* on the back of this leaflet and return it to us at the pharmacy.

How does it work?

Once we've received your completed form all you have to do is let us know when you need more medicines. We'll then order and collect your prescription from your GP, prepare your medicines and have them ready for you to pick-up or deliver to your home.

You can let us know when you need a prescription by:

Ordering by phone

A week before your medicines are due to run out just contact us on **freephone 0800 988 3003**.

Ordering online

That's right, you can also order your prescriptions online! Just visit www.insync-pharmacy.co.uk to register for this free service. Please order your medicines a week before you current prescription is due to run out.

Free deliveries

With our free delivery service you don't have to worry about picking-up your medicines from the pharmacy. We'll deliver them to your home or workplace for free making life easier for you.
